

Are You the One Who Calls the Specialist? Or the One Who Gets Called?

Senior Data Scientist (all genders)

Parsionate – Part of Accenture empowers businesses and unleashes their potential to create innovative new solutions. The key: data and all it has to offer. From strategy development to large-scale technological implementation, Parsionate works end-to-end on the client's side. This is Data Leadership.

What you can expect:

- You take on technical responsibility in the area of AI and Analytics at Parsionat
- You have the technical leadership of the team, share your knowledge, and further develop the team
- You have access to innovative solutions in data science, cloud, and data storage
- You work together with data engineers and analysts to understand customer requirements and develop corresponding solutions
- Your tasks include advising our customers on suitable AI use cases and selecting appropriate approaches and methods
- An agile work environment in which you help decide which tasks you will tackle
- You support the sales team in presales situations in your role as the subject matter expert and thus win new projects
- You actively shape the continuous development of the service portfolio in the area of AI

Your skillset:

- You have successfully completed your studies in computer science, mathematics, physics, or a comparable field
- You have several years of practical experience as a data scientist
- You have experience in solution design and can clearly communicate the benefits of projects
- You are familiar with and use the latest technologies for operating data science solutions in the cloud (Docker, Kubernetes)
- You have experience with common data science stacks (Python, TensorFlow, Keras, Scikit-learn, or MLflow) and knowledge of common software tools (Git, PyCharm)
- You possess in-depth knowledge of current programming concepts, such as design patterns or data structures
- When you think of CD, you don't think of an outdated storage medium
- You are open, communicative, enjoy working in a team, and take pleasure in sharing knowledge
- You have very good German and English skills, both written and spoken
