

**Working in Technology Means
Expanding the Imaginations of Your Clients.
And the Ones of Your Company**

Senior Technical Consultant Print Publishing (all genders)

Parsionate – Part of Accenture empowers businesses and unleashes their potential to create innovative new solutions. The key: data and all it has to offer. From strategy development to large-scale technological implementation, Parsionate works end-to-end on the client's side. This is Data Leadership.

What you can expect:

- You take responsibility for the integration of systems and software components
- You bring your passion to the definition and implementation of processes and workflows
- You work skillfully on the introduction of print solutions in the context of MDM, PIM and omnichannel commerce
- You contribute your expertise in workshops and trainings internally as well as with customers
- As part of the parsionate team, you will take responsibility for creating real added value for our customers

Your skillset:

- You have several years professional and project experience as a Data/IT consultant, software architect or software engineer
- You have very good knowledge in configuration and implementation of print publishing solutions, such as priint:Suite from Werk II or comparable software applications (Xacutell, InBetween, Lago, easy catalog)
- Your favorite tools are Java, Rest, SOAP as well as XML technologies
- You convince with your communication skills and your assertiveness
- Travel within Europe is not a showstopper for you
- You speak fluent German and English
